Sir:

**SUPPLEMENTAL REMARKS**

In the Advisory Action dated July 13, 2010, the Examiner identified a new reference, U.S. Patent Application Pub. No. 2003/0232318 to Altenhofen et al. ("*Altenhofen*"). The Examiner also indicated that while further search and/or consideration was necessary to address the amended claims, *Altenhofen* "appears to disclose the newly added limitations." *Advisory Action*, Continuation Sheet. Applicants do not necessarily agree with the Examiner's characterization of *Altenhofen*.

Applicants also note that *Altenhofen* is assigned to SAP Aktiengesellschaft, while the present application is assigned to SAP AG. These two entities are the same. As evidence of this, Applicants attach herewith a corporate change of name of SAP
